HINDU PHILOSOPHER ORDERED DEPORTED

Determined Opposition Meets Government's Efforts in California.

San Francisco, March 26.—According to friends of Har Dyal, the well-known Hindu philosopher and advocate of radical social reform, determined opposition will be offered to the government's efforts to deport him from this country as an undesirable alien.

The arrest of Dyal by immigration inspectors here last night is said to be the result of a country-wide investigation into the actions of Hindus residing in the United States who are accused of fomenting sedition against the British Government of India. It is said that other arrests will be made soon.

Dyal, according to Hindu students at the University of California, is regarded as the leading patriot of his country. Although less than thirty years old, he has achieved world-wide reputation among socialists and revolutionists by his writings and lectures.
